thus leaving the land without an old vested right of record. However, applicant does not by filing this application, waive any right to water which he may be able to later prove for this land.

Water is taken thru the ]	Daniels Ditch and by means of laterals con-
State manner in which water is to be diverted, wheth	ther by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water
is to be stored in reservoirs it should be so stated and	irrigated. In fact a large portion of the
land is already under ir	rigations.
	ks already expended about \$1500.00
6. Estimated time requir	red to construct works already constructed
7. Remarks	
	For use of applicant.
	Frank J. Mathews , Applicant.
